

Fund Description

The Guinness Global Equity Income Fund ("The Fund") is designed to provide income and capital growth by investing in companies that can pay sustainable, growing dividends.

Firm-Wide Exclusions

(i) Controversial weapons

There are two major international conventions that specifically address cluster munitions and landmines:

- **The Convention on Cluster Munitions (2008):** This Convention restricts the manufacture, use, and stockpiling of cluster munitions and the components of these weapons.
- **The Convention on the Prohibition of the Use, Stockpiling, Production and Transfer of Anti-Personnel Mines and on Their Destruction (1997):** This Convention aims to eliminate anti-personnel landmines around the world.

Consistent with the aims of these two Conventions, The Fund excludes active investments in companies that have been identified, by credible third parties, as being directly involved in the design, manufacture, or sale of such weapons.

(ii) Thermal Coal

We exclude companies that generate more than 30% of revenues via thermal coal extraction or thermal coal power generation.

Policy implementation

To implement our Exclusion Policy, we use exclusion lists of companies based on information provided by independent third-party sources. We update the exclusion lists annually on a best-efforts basis. The exclusion lists are distributed periodically across the firm.

We will not knowingly invest in any company that breaches our Exclusion Policy. In the event that we identify a company in our portfolios that does not comply with these policy requirements, we will contact the company directly for confirmation of their involvement in an excluded activity. Following confirmation of their involvement in this activity, we will divest any such holdings within 90 business days.

We monitor compliance in respect of this policy. However, due to the complexity of the issue and the evolution of company business models, there may be occasions when related securities appear in portfolios in error. If and when such instances are identified, we will seek to divest any such holdings within 90 business days.
